BAGGED LUNCH ORDER FORM

The foodservice department here at East Pennsboro would like to give you the opportunity to allow us to provide a bagged lunch for your child's upcoming field trip/special day. The meal will be charged to your child's account and include all the nutritional components that we provide in the meals we serve each and every day. Should you choose to take advantage of this opportunity, please fill out this form below and return to your child's teacher. It is requested that all forms be returned one week prior to the date the bagged lunch is needed, however, we will honor late requests as needed.
