**COLLEGE VISIT FORM**

---

---

East Pennsboro Area High School feels it is imperative that students visit prospective colleges in order to help them determine the college of their choice. With this thought in mind, we grant seniors and juniors three (3) excused days per year for college visitations if documented with proper signatures. We request that college admission personnel take a few minutes to complete this verification form and return to our offices via facsimile at (717) 732-8932.
